

Privacy Policy

At i love sportz we take your trust very seriously.

What information is collected?

When a booking is made information regarding participants is gathered through the registration process. This information includes:

- Parent full name
- Childs full name and age
- Medical issues/care
- Current home address
- Contact details, including email address and telephone numbers
- Emergency contact details

This information is collected to enable your booking to be completed and to allow the safe and full participation for the child or young person. All data collection and storage adheres to GDPR 2016

How is the information stored?

Once received the information is entered into a password protected database, all other storage locations for this data is destroyed.

When a Holiday Club is taking place the details of the child/young person who is attending is included on a daily bespoke register available for staff members use only. At the end of each day this register is removed and ethically and securely disposed of by the senior lead/manager.

No registers or database is necessary for any other *i love sportz* activities.

How is your information used?

The information collated enables the safe running of our sessions and ensures that all our children/young people get the maximum fun out of their time with us!

Future Contact

Your details will be added to our mailing list to ensure we can keep you updated on all future activities at *i love sportz*

You can ask to be removed from our mailing list at any time by emailing admin@ilovesportz.co.uk

Images

If you have given your consent, images may be taken of your child/young person participating in *i love sportz* activities and used for promotion and marketing.

If at any time you wish to withdraw your consent all images of your child/young person will be deleted and no longer used.

If at any time you wish to withdraw your consent for the use of images you can do so at any time by emailing admin@ilovesportz.co.uk

How long do we keep your information?

Your information is kept electronically on a password protected database and will be saved for six years after your child/young person last attended.

Do we give your information to anyone else?

NEVER!
